

KLove Radio serves me as a resident of my local community. The effect on my local community if K-Love were to be displaced by a LPFM broadcaster would be horrible. There are no other stations that air the information K-Love does. I believe the service K-Love provides is invaluable. My kids can listen to the station non-stop without the fear of something being discussed or music played that is considered questionable. The worship music is excellent and gives people a positive input in their lives, not a negative one.
Thank you.
